## Endless Pools® Fitness Systems E500

## Get results. Exhale. Share good times.

How much can you accomplish with just fifteen feet of space? You'd be surprised! Welcome to the Endless Pools® Fitness Systems E500. It packs unlimited potential for fitness, swimming, family fun, and relaxation into one space-saving footprint.

The E500 is the most compact and affordable swim spa to feature the signature Endless Pools current. Smooth, spacious, and versatile for all levels, the current lets you swim without interruption and add resistance to any aquatic exercise; plus, it's a sure-fire way to get kids to put down their screens and engage in active play! With its stellar design, revitalizing hydromassage seats and optional underwater treadmill, the E500 fits the luxury of a world-class swim spa into almost any space.
